Hi Victoria or Linda,

I could not do the rating via your link, so went to Service Majic & filled out the form, but there is something wrong with their site ! So, I e-mailed them & hopefully they will post my comments ! I wrote :

Victoria contacted me very promptly after I made my inquiry Tuesday & the appt was confirmed Thurs a.m. by the office secretary, Linda. Victoria & I met Thurs p.m. & she came to my house this morning to personally introduce my new cleaning lady. Tess did a wonderful job cleaning the house, & Victoria even stopped by again at the end of the job to make sure everything had gone well. I am very impressed with Victoria's efficiency & level of professionalism, & highly recommend her services to anybody who is in need of any of the personal services offered at very market-competitive rates.
